Dimension : 23 mm (W) X 8.9 mm (L) X 140 mm (H)

## ***Janitorial Dispenser Fluid***

- Prevents and reduces scaling
- Cleans continuously and eliminates odors at source
- Available in Lemon Fragrance
- Dispenser Fluid is packaged as follows :
  - 600 ml Refillable Bottle
  - 600 ml Non-Refillable Bottle
  - 3.6 liter Bulk Container to fill 6 bottles (of 600ml) refillable bottles .
- The 3.6 liter Bulk Container is more cost effective to purchase especially for the rental business versus packaging in individual 600 ml bottle
